

## PROFESSIONAL EXPERIENCE

**Counterpoint Consulting** – Vienna, VA  
*Associate Consultant*

August 2013 – Present

- **Developer, World Bank Group - Vendor Management System (VMS).** Developed and deployed web application for the World Bank Group's vendor management business process. Primary designer for custom front-end user interfaces. Built front-end application using Javascript, jQuery, HTML, CSS, and Bootstrap with OpenText/Cordys Inbox. Constructed back-end processes using OpenText/Cordys BPMS, Oracle SQL, and Java. Integrated application with World Bank Group's SAP enterprise software to streamline business operations. Deployed application to World Bank Group's Production servers. Implemented multiple major and minor enhancements, and packaged and deployed these fixes to Production.
- **Developer, World Bank Group - eTendering.** Implemented multiple major and minor enhancements to the existing eProcurement software solution using OpenText/Cordys. Troubleshooted, fixed, and tested bugs logged in the Ticket Management system. Worked with the deployment resource to package and deploy these fixes to Production.
- **Developer, World Bank Group - Capital Markets Operations (CMO) Demo.** Developed web application for the World Bank Group's Capital Markets Operations business process. Primary designer for custom front-end user interfaces. Built front-end application using Javascript, jQuery, HTML, CSS, and Bootstrap with OpenText/Cordys Inbox. Completed in intensive three-day development period.

**Progeny Systems Corporation** – Manassas, VA  
*Software Engineer Summer Intern*

Summer 2010, Summer 2011, Summer 2012

- Developed Face Detection, Vehicle Detection, Silhouette Generation, Digital Data Collection, Graphical User Interface applications for United States Army and Navy
- Built front-end and back-end using C++, Java, Python, and PHP in Windows and Linux

## EDUCATION

**University of Virginia** – Charlottesville, VA

Aug. 2009-Present

*School of Engineering and Applied Sciences, Computer Science Major (B.S.), GPA – 3.95, Major GPA – 3.98*

**Forest Park Senior High School** – Woodbridge, VA

Sept. 2005-June 2009

*Information Technology Specialty Program, Advanced Studies Diploma, GPA – 4.609 (Weighted), Class Rank: #1*

## TECHNICAL SKILLS

- **Programming Languages:** Java, Javascript, C++, Python, PHP
- **Applications and Tools:** OpenText/Cordys BPMS, jQuery, HTML, CSS, Bootstrap, Apache Commons Library, Adobe Photoshop, Final Cut Pro, Autodesk Maya
- **Databases:** Oracle, Microsoft SQL Server
- **Operating Systems:** Windows 7/8, Max OS, Linux

## SCHOOL PROJECTS

**Habitat for Humanity House Finder and Database**

Fall 2012-Present

*Multi-person project to develop database-centered web and mobile applications with Habitat for Humanity of Charlottesville using CakePHP, HTML, JavaScript, CSS, and Bootstrap Framework*

**Appearance Models**

Spring 2012

*Graduate level seminar; Implemented modern techniques for modeling diffuse fluorescence in ray tracer in C++*

**Web and Mobile Systems**

Fall 2012

*Multi-person project to develop mobile asynchronous scavenger hunt game for Android platform*

**Computer Vision**

Spring 2011

*Implementation of canny edge detection, corner detection, face detector, optical flow of features in video, stereo-based 3D surface reconstruction, and Poisson seamless image blending in MATLAB*

**Computer Graphics**

Fall 2011

*Creation of image processing program, ray tracer, and renderer with OpenGL in C++*

**Digital Animation**

Fall 2012

*Creation of digitally animated films focusing on 3D rendering and storytelling using Maya and Final Cut Pro*

## HONORS AND AWARDS

**Harrison Cup Debate Winner, Representing the Washington Literary Society and Debating Union**

2012

**Dean's List**

Fall 2009-Spring 2011, Fall 2012

**Intermediate Honors, School of Engineering and Applied Sciences**

2011

**Certified by Oracle for the Successful Completion of the Introduction to 9i: SQL Certification Exam**

2009

**Forest Park Information Technology Specialty Program (Computer Science Concentration)**

2005-2009

**Virginia's Governor's School for Math, Science, and Technology (Game Programming in C++)**

2008

**Representative in the American Computer Science League National All-Star Competition**

2008

## OTHER

*Avid musician, amateur filmmaker and editor, tennis enthusiast, comedy writer*
